Rule No. 3

SERVICE AGREEMENTS

- 3-1 Application for Service - The Utility may require a Customer or prospective Customer to agree to one of the Utility's standard application or service agreement forms. The application or agreement shall be binding only after acceptance of service by a duly authorized representative of the Utility and once accepted by the Utility, all terms and conditions therein shall be binding on the Customer. In the case where an agreement is not required by the Utility, Customer shall pay for the service so furnished in accordance with the applicable rate schedule or schedules in force at the time of service and shall abide by and be subject to all Commission-approved Natural Gas Tariff rules. A Customer requiring the construction of a line extension, as described in Rule No. 6, may be required to agree to a service agreement whereby service is contracted for a period of not less than two years.
- 3-2 Transportation Service
- A. Form: Shipper shall enter into a contract with the Utility utilizing the Utility's appropriate standard form of Agreement.
- B. Term: The term of the Agreement shall be agreed upon between Shipper and the Utility at the time of the execution thereof.
- C. Miscellaneous: The Utility reserves the right to tailor Agreements to individual needs of the Shipper and the Utility at the time of the Agreement; however, any specific Agreement requirements shall not unduly discriminate against or unnecessarily restrict access to any Shipper. In all cases, the Utility reserves the right to unilaterally terminate service if the Utility, in the reasonable exercise of its sole discretion, determines that such service is injurious to the physical operation of any Utility facilities, or if a Shipper does not comply with any provisions contained in Rate Schedule GTC-1 or Agreement.
