

## Wonder Where Your **Energy Dollars** Are Going?

The **FREE** Home EnergyCheck is an assessment of your home that helps you understand how energy is being used and where improvements could be made to help you save money. You'll receive:

**Personalized tips to help improve your home's energy efficiency.**

**Free energy-reducing products delivered to your home, if needed.**

**Important gas and electric information that can help keep you and your family safe.**

### **What our customers are saying:**

"They are very helpful and knowledgeable. All of my questions were answered and I was given great suggestions on how to fix specific energy issues that I have with my house."

"Everyone I dealt with was courteous, knowledgeable, and gave me great advice on how to save energy!!!"
